

Wastewater Certification

The undersigned, owners of real property located at 5154 East Warren Road, Warren, Vermont, hereinafter "the Property," hereby certifies that as of the date hereof the septic system located on the Property is not a failed system as the term is used in State of Vermont, Agency of Natural Resources Environmental Protection Rules, Section 1.201(a)(25) and that we have taken no action for which a permit is required under State of Vermont, Agency of natural Resources, Environmental Protection Rules on or after January 1, 2007. The undersigned also certifies that as of January 1, 2007 the Property contained four (4) bedrooms.

Dated: May 16, 2012
